Costco \$ (30 days)

 This is the approximate retail price from **Costco** for a 30-day supply and can depending on the dosage (e.g. 10mg vs. 20mg). For classes such as antibiotics, we give the price for a certain number of pills or (e.g. "#14" = fourteen pills). Prices are given for the generic version if it is available. "**Walmart \$4/\$9**" means the drug is available at Walmart for \$4 or \$9 at certain doses (check the list of Walmart drugs at the back of the Prescribing Guide).
